ESSEX POLICE DEPARTMENT AFFIDAVIT OF PROBABLE CAUSE FOR ARREST

STATE OF VERMONT
COUNTY OF CHITTENDEN S.S.

Now comes OFFICER Joshua L. Otey, Affiant, being duly sworn and on oath deposes and says he has probable cause to believe that Anthony R Bellew (DOB: 03-24-1969) has committed the crime(s) of Driving Under the Influence of Alcohol, in violation of Title 23 V.S.A 1201, Aggravated Assault, in violation of Title 13 V.S.A. 1024(a)(1)(4).

I am a law enforcement officer in the State of Vermont certified by the Vermont Criminal Justice Training Council since 2006. The following incident took place in the County of Chittenden, State of Vermont. The information contained within this affidavit is based upon my training, experience, and investigation, as well as information conveyed to me by other law enforcement officers. The following is either known to me personally or has been related to me by persons having direct knowledge of the events described, including other law enforcement officers involved in this investigation. Since this affidavit is submitted to set forth probable cause, I have not included each and every fact known to me concerning the investigation.

On August 8, 2019 at approximately 1737 hours Anthony R Bellew 03-24-1969 hereinafter referred to as defendant operated a motor vehicle being a 2006 Ford van bearing Vermont Registration HLE456 upon a public highway being the parking lot of McDonalds located on Pearl Street in Essex Junction Vermont while under the influence of alcohol. Additionally, it should be noted that the defendant is a person who has previously been convicted of a violation of this section and on this date refused a law officer's reasonable request under the circumstances for an evidentiary test.

Additionally, it should be noted that upon arrival at the Essex Police Department with the defendant in law enforcement custody, the defendant attempted to cause serious bodily injury to another being this officer in that he purposely forced his knee into my testicles as I was removing him from the rear of my patrol vehicle for processing and therefore intended to prevent a law enforcement officer from performing a lawful duty the defendant caused physical injury to a person being this officer.

On August 8, 2019 at approximately 1738 hours I was dispatched to McDonalds located at 106 Pearl Street for a reported operator suspected to be operating under the influence. Dispatch further advised the complainant (later identified to be Manager Alexander Dahlgren) reported the male operator of a Ford vehicle bearing Vermont Registration HLE456 currently in the parking lot was suspected of being impaired and had struck the building while operating through the drive-thru.

Upon arrival I observed the above noted vehicle parked in a space on the east side of the McDonalds parking lot facing east. I parked my patrol vehicle south of the suspect vehicle in a manner not to block the vehicle into the parking space.

STATE OF VERMONT

I approached the drive-thru window and made brief contact with the Manager Dahlgren who pointed to the suspect vehicle and advised he did not believe there was a lot of damage to the building but wanted to report the incident for the welfare of the operator.

I approached the suspect vehicle on the passenger side and observed a black dog sitting on the seat. I observed a male subject who was later identified to be the defendant sitting in the operators seat eating what appeared to be a cheeseburger. I noted a key in the ignition of the vehicle and an open can of Labatt Blue (Alcohol) in the front console of the vehicle nearest the operator. I introduced myself and engaged the operator in casual conversation including asking the name of his dog while petting the dog on the head as it approached me at the open passenger side window. The defendant advised the dog's name was Pal. I noted a strong odor consistent with that of an alcoholic beverage emitting from the breath of the defendant as he spoke with me. The defendant immediately became confrontational and requested my badge number. I advised the defendant of the complaint and requested he provide his license, registration, and insurance information which he refused while providing a vulgar response including "fuck you". I advised the defendant that he was required by Vermont Law to identify himself and he continued to refuse while raising his middle finger at me and provide additional vulgar responses. I noted the defendant's eyes were bloodshot and watery. I requested to operator exit the vehicle to participate in field sobriety exercises and he refused. The defendant persisted in his refusal to provide identification.

I ordered the defendant to exit the vehicle and he refused while advising that he would not do so. I advised the defendant that he was under arrest and ordered him to exit the vehicle. The defendant exited the vehicle and was secured into handcuffs which were double locked and adjusted for proper fit.

The defendant was secured into the rear of my patrol vehicle and persisted in his refusal to provide identification.

Officer Remillard obtained a sworn written statement from McDonalds employee Keisha Aikey 08-29-2001. Aikey advised *"when the driver pulled up to the window, he was acting as though he did not know what was going on he said "whats going on?" he also said that he didn't feel good multiple times, He ran into the building at the first window, he smelled like he had been drinking. He did not seem okay."*

The defendant was transported to the Essex Police Department for processing. Upon arrival at the Essex Police Department I opened the rear passenger side door to assist the defendant in exiting. The defendant moved both of his feet outside the vehicle and was able to touch the ground as he scooted his butt toward the edge of the seat. The defendant then commented that he needed assistance getting out. I got close to the defendant and placed my hand on the back of his shoulder and provided support for the defendant to stand up. At this time the defendant placed all of his

weight on the ground, raised his leg, and delivered a strong deliberate knee strike to my testicles. I immediately lost my breath and felt a numbing and tingling pain to my testicles which radiated down my right leg. I struck the defendant on his right shoulder and directed him back into the patrol vehicle in order to prevent additional assaultive strikes against me. The defendant laughed and said something to the effect of "ha I got ya". At this point I was experiencing an impairing pain and was aided by Officer Chiravalle who escorted the defendant into the police department. The defendant was ultimately identified by his Vermont operator's license photograph while at the Essex Police Department. The defendant was processed and refused to provide a breath sample during processing procedures.

It should be noted that the defendant was continuously aggressive and made statements including that he was going to come after me.

At the time of writing this affidavit I am continuing to experience pain which appears to radiate from my right testicle and down my right leg. I have experienced pain while urinating specifically a feeling like glass within the tip of my penis which increases during urination.

A criminal history query revealed that the defendant has (1) one felony conviction for Felony Possession of Cocaine, and (6) six misdemeanor convictions including multiple DUI's, Domestic Assault, Unlawful Mischief, and Disorderly Conduct. The defendant has failed to appear at court proceedings as noted on his Criminal History Records out of North Carolina.

On August 8, 2019 at approximately 2019 hours I contacted the Honorable Judge Nancy Waples for the purpose of bail which was set at \$7,500 cash.

The defendant was subsequently lodged at the Chittenden County Correctional Center.

Due to the assaultive actions of the defendant he was not fingerprinted or photographed at the time of processing. I respectfully request the Honorable Court order the defendant appear for processing at the Essex Police Department as a condition of release.
